

# DataPreserve™

## Why Remote Data Backup from DataPreserve?

- **19 out of 20** small businesses that lose their computer data for at least 10 days go out of business
- **2000** laptops are lost or stolen every day
- **Every 15 seconds** a hard drive crashes
- **73%** of small businesses have no business continuity plan

"I have peace of mind when I leave my office every night knowing that everything is backed up and securely stored off site."

Thomas Hawbaker  
Hawbaker, Hawbaker & Associates, Inc.

"I trust DataPreserve with my critical data, everything that matters to make my business run."

Tami Rawlings  
Webinizer, L.L.C.

"I consider the DataPreserve solutions for remote data backup essential to any business disaster recovery program and of particular importance to franchisees."

Frank Flack  
Honorary Life Member  
International Franchise Association
